# OPT-OUT PROCEDURE

## For Family Life Education

Letters explaining the opt-out procedure are to be given to every parent in King William County prior to Family Life instruction through homeroom classes. Homeroom teachers should double check to make sure every parent or student receives a letter.

- Opt-out forms will be placed in the main office of each school. It is the parents' responsibility to contact the school for an opt-out form. If a parent can not come to the school to pick up an opt-out form, forms may be sent directly to the parent.
- It is preferred that parents review the lessons before opting out a child, but this is not mandatory. Parents may be referred to Dr. Sheila Carr at the Central Office for further information.
- Opt-out forms are to be returned to each school office by September 14, 2012. Completed opt-out forms are to be submitted to Dr. Sheila Carr at the Central Office. Opt-out forms returned late are to be submitted immediately to Dr. Carr.
- Schools are to maintain a list of opt-out students. Classroom teachers are to receive a copy of this list prior to the beginning of Family Life instruction.
- The regular classroom teachers are to plan ahead enrichment or reinforcement work for students who opt-out. Teachers are to have the opted-out student's work assigned prior to Family Life instruction beginning. Teachers may assign non-sensitive activities from the Family Life Curriculum Guide.
- The regular classroom teacher will inconspicuously move the opted-out student(s) to their assigned work site when the Family Life instructors are separating students into male-female sections.
- Students are allowed to opt-out of any objective that is taught by Family Life instructors or non-sensitive instruction taught by regular classroom teachers.
